SPECIAL HOTEL RATES AVAILABLE FOR ADA MEETING

Special low rates are available at fabulous ocean front hotels for the 1957 annual session of the American Dental Association, November 4-7, in Miami and Miami Beach.

"The meeting offers a wonderful opportunity for dentists and their families to combine attendance at a scientific session with relaxation in an atmosphere unlike any other in the United States," Dr. Arthur W. Kellner, general chairman of the committee on local arrangements, said.

Florida and the Caribbean area provide an ideal site for a vacation after the meeting, Dr. Kellner pointed out.

Applications for reservations should be made on the official application form in *The Journal of the American Dental* Association and sent to the A.D.A. Housing Bureau, Box 1511, Miami Beach, Fla.

NEWS OF THE BRANCHES

Kenwood-Hyde Park

I hear that Lawrence Johnson, Ed Franklin and Greg Strobel are spending a week at Bay Du Noc, Michigan. I don't know if they're fishin', swimmin', or drinkin', but I do know that they're card playin'. Poor Willard Johnson, no wonder he loses to these boys all winter long. Willard is going to another losing game soon. He's attending a wedding at Iron Mountain, Mich. sometime in August. . . . Howard Harvey tells me he's loafing this summer. He's truly a BIG loafer I'd say. . . . I hear Rudy Grieff's new home is keeping him quite busy this summer but he hopes to catch up with his chores by Nov. in order to attend the A.D.A. Meeting in Miami. . . . Graham Davies is wearing out his tires traveling to and from his Michigana rendezvous. . . . Stan Korf is all set for that archeological expedition to Vernon, Arizona. . . . Milton Braun is headed northwest to Lake Louise, Banff, that's livin'. . . . Ascher Jacobs just returned from a trip to Miami, Florida. If you want to find out what's wrong with Miami, just ask him. ... W. Clint Fisher and his golf partner, Ed Mauter, won a round of golf and 10c from Father Wayne and Walt Dundon but as a result Wayne and Walt received a couple of free drinks. What a nice way to lose, I'd say. . . . Our good friend, Wic Vittert, has fully recovered from his back ailment and is reading a book on how not to bend over. However, please don't drop any money in his presence. ... Did you see Richard Kaufman's new assistant? Wow! . . . Bob Wells said he acquired a sore heel bone just playing cards at a golf outing. Gosh knows what would have happened had he played golf instead. . . . Warren Lutton dropped me one of those lazy correspondence cards and checked the following items-Dear friend, flying high, well, happy fishing, sightseeing, traveling, seeing mountain

wild animals, need more money. Warren, you'll have to get back to your office to make more of that last item. . . . Ran into Charles Kresnoff at B-G's. He looks fine after a long vacation in the Army. He finished off that vacation with a wonderful 2-month visit to Europe. He's really living it up before that plunge into private practice again. Welcome home. . . . Joe Goodman took off to the Southland where he'll visit New Orleans, the state of Florida, etc. . . . Please, fellows, dig up some news for me and call in.—Henry H. Leib, Branch Correspondent.

North Side

The president of any organization would be looked down upon by his constituents if he didn't recall the great stimulating experiences of his Society before his present term, or if he doesn't make mention of the educational and professional programs to be presented during the coming year. It goes without saying that our North Side Workshop programs of last year are so vivid in the minds of the hundreds that attended that they still seem very current, current only from a standpoint of the vast knowledge and learning-earning power receivedyet, that was all last season. This year, under the same guidance, Martin Unterman and Ruben Kadens, the Workshop will present an even more stimulating program for all the North Side members, as well as the many members from other branches, and our always welcome guests from out of State. I wish at this time to state the dates of our meetings for the coming year, which will be held at the Edgewater Beach Hotel: October 8th & 9th-all day Tuesday & Wednesday, workshop and meeting. November 20th -Clinic day, all day-8:30 a.m. to 5:30 p.m. January 14th & 15th-Tuesday and Wednesday, all day-workshop,

meeting on Wednesday. April 22nd & 23rd—Tuesday & Wednesday, workshop, regular meeting and election. . . . On October 8th and 9th, the Workshop will present, in my opinion, an individual only next important to our Patron Saint of Dentistry, Dr. L. Alexander Cohn of New York. We beg of the membership to make very early reservations for this outstanding event. We must limit the attendance to only 100. To date we have a positive commitment from the Saunders group for 100% attendance, and several members have made reservations due to a small leak in the grapevine. This, no doubt, will be the greatest and most outstanding Clinic for all Chicago dentistry for years to come. Contact either Dr. Unterman or Dr. Kadens for full particulars and reservations. . . . On November 20th at the Edgewater Beach Hotel, our Clinic Day will be presented. The Workshop will prepare for the speakers who should be most enlightening. As in the past, two speakers will present different subject papers in the morning. The committee is working diligently for a splendid luncheon and a timely guest luncheon speaker. The afternoon will be devoted to the hygienists, table clinics, and a super-duper commercial section exhibition under the head and guidance of Allen Gerber, our newly commissioned Captain in the Naval Reserves. In a future issue, the January and April meetings will be discussed. . . . The season dinner-ticket chairmen suggest that early buyers will receive choice tables. Bill d'Autremont and Clifford Alsin will do a most admirable job in menu selections and handling of ticket selling and seating. Assignments to all other committees will soon be brought to bear fruit-ours will be a banner year-yet we need help from the membership in the form of physical presence at the meetings and with the purchasing of season luncheon-dinner tickets. We have the largest membership of any local branch of the Chicago Dental Society-let's have the largest attendance at our meetings also. . . . It is with great joy that I can report to the membership of the splendid convalescence of our Secretary, I. H. Shapiro, who has undergone surgery. I spoke to him at Cleveland Clinic in Cleveland, Ohio, and during the next ten days, he should be with us again. . . . I can't help but be envious of the group that Bob Placek will escort to the Caribbean after the A.D.A. Convention. I have known Bob for many years, and his calibre must certainly produce a high type tour. What am I doing? Bob is a Northwest Side member and I'm giving him a plug. Well-it goes to show-a North Sider will be glad to give a pat to a good-doer in spite of his Branch affiliation. . . . For the next column, please contact Dr. Howard Adilman - DE 2-2281 - and give him your newsy items. Howard is also our Visitation chairman. Please let him know of any members who are ill or convalescing, so that a proper North Side greeting may be delivered.-Arthur M. Duxler, President.

Englewood

Gus King is Lodge-parading up in Minneapolis. . . . Ed Scanlan and family are dude ranching in Estes Park. . . . The Harold O'Connell clan planned to "packand-point" in July. They packed the station wagon and pointed for Wisconsin, but may have ended up in Mexico. The motel with the free ice cubes won. . . . Another of Englewood's beacon lights was extinguished on July 17th, when Willis Bray passed away of a stroke of two weeks' duration, in Springfield, Ill. Willis was a pioneer in baked porcelain crowns and shaped porcelain pontics in crown and bridge. He was a natural teacher who shared the results of his research, an outdoor sportsman, and a fine and kindly gentleman. These are observations stemming from thirty years of friendship with Willis which was my privilege to enjoy. . . . Milt Sorley commutes by plane from his home in Coral Gables to his office with J. C. Black in Chicago. He used up the month of June with a Caribbean cruise, visiting Dry (Continued on page 26)

Secrets to Success

Many, many factors contribute to the success of a JACKET DENTAL RESTORATION.

Two of the most important are perfect shoulder margins and a correct gingival ridge.

The perfect shoulder margins seal against salive seepage and the correct gingival ridge protects the gum tissue from being injured or packed back.

West Suburban

Due to the unexpected job of coming in from the bull-pen to replace our regular pitcher, I find myself not too well prepared for this writing assignment . . . John, don't worry—your job is secure. . . . Our congratulations and best wishes

are extended to Roger Corrin on the opening of his new office at 6943 W. North Avenue. Roger's Grand Avenue office was destroyed by fire. The fire sale will be in progress all this week, with all merchandise going for cost. . . . Jack Opdahl has informed us that Doctor Corrin has applied for membership in West Suburban. Welcome aboard, Roger! . . . By the time this issue hits the press, George Barnes and Foster Robeson will have tried their "hand" at Minnesota fishing. If that didn't work, boys, hope you tried a pole. . . . Dave Thompson of Elmhurst has joined the Volkswagen set. He gets delivery of his new one this week. . . . Another new car owner is Ben Lyznicki. He has a new Cadillac, but his wife likes it too and Ben is still walking to work. . . . Still on the subject of cars, Iim Hofrichter is wondering whether or not to trade in his 1952 Chrysler for a new one. Jim, it would seem like parting with your best friend. . . . Quentin Mangion reports he had a wonderful time up at Rhinelander, Wis. with his charming wife and daughters. I follow Quentin into the same cottage in a few weeks and I'm sure hoping he left some cold beer behind. . . . Bob Wirth is an enthusiastic water skiier and we hear he has accomplished the very difficult feat of doing a headstand on one ski; drinking a martini all the while. . . . Frank Krivanek is off fishing again; hope he had some luck. . Turning to our Berwyn and Cicero friends, we found Les Braun and Leonard Shimandle sitting at Old Prague behind

a frosty stein of that good Bohemian beer. Can't think of a better way to cool off these hot days. . . . Hear that Barney Mulacek has added a Dodge station wagon to his fleet of cars and farm equipment. Happy motoring, Barney. . .. The summer is slowly falling into the shadows of time and soon we will be getting together on Tuesday nights at Riverside for good fellowship and more professional hints. Don't forget, "Education is the study and application of knowledge directed for the improvement of man's wants to make him better able to satisfy them." Let's all plan on purchasing our dinner tickets early and giving our new president, Wallace Kirby, a year he will never forget. . . . Congratulations to John Silberhorn's mother and dad on their 50th wedding anniversary. May they have many more happy years together. . . . If you find yourself with time on your hands, take a peek at Dr. S. Joseph Bregstein's book, Interviewing, Counseling, and Managing Dental Patients. Unless you've made your first million, you will find it enlightening and informative. . . . See you next issue. In the meantime, I would appreciate any news of yourself or friends that you could pass on to me.-Wayne Dunnom, Assistant Branch Correspondent.

Northwest Side

Vacation time, vacation time. Everybody is either on vacation or thinking of vacation. Between vacation and the heat one starts to wonder; some of the news makes one a little bit envious and it is too bad that we can't all live on love instead of money. . . . I am going to take this opportunity to ask you: "Are you taking advantage of participating in

the Society's budget plan? If not, why not? It is kind of nice to be able to work as fast as you wish; in fact, have the money for the work before you even do it. If that is one of the things that keeps you from a vacation, why not look into it? . . Mark Spencer is one of those few fortunates who have no water in the basement of his new house. He must have a better sump pump than yours truly. . . . Pete Deboer is getting to be quite a commuter. He spends the week-ends in the Land-of-Lakes; however, as yet that big muskie that he promised me has not come forth. . . . Folmer Nymark is spending two weeks at the Land-of-Lakes but I think he won't send the muskie he promised either. . . . Good old Larry Peacock is having fun too; however, in the other direction. He is driving to Nebraska. . . . Received a nice letter from one of the old timers, Jerry Rund, who reminisced about the good old times. I hope to publish his letter some time as it had excellent thoughts from which the youngsters of today could receive a lot of benefits if they read it. . . . They tell me one way of changing locations is to have your old office burnt down as Roger Corrin did and who now has moved to a new location at North & Sayre. Lots of luck, Roger, in your new adventure. . . . Little Tommy Wright must be feeling awfully good, whether it is vitamin pills or what I do not know, but he has changed from 110 to 220 and keeps two girls busy. . . . It is with a great amount of pleasure to be able to report Ben Dudan has recuperated enough from his long siege of illness to be back to work. Lots of luck, Ben, and hope you stay well. . . . One of the real old timers, Gust Tilley, has been enjoying himself with an extended visit back home trying to break par on our Chicago

courses. However, between our so-called "tricky greens and grassy fairways" his scores are not comparable to those that he gets back home in Florida, but he looks good, feels good and still walks like a young boy. What's the secret, Gust? . . . Gerson M. Gould, as president of the Independents, became Master-of-Ceremonies-Superb at their annual golf outing and Joe Lebow, the chairman, ran it like a pro. He, however, did complain that he wasn't able to get to play his game of golf and we must thank him for the nice job he did. . . . Only a youth can do what Mitch Kaminski is doing to enjoy his so-called vacation by working two offices and teaching at school. . . . M. A. Bahador and wife Paula are having a wonderful motor tour through Canada and the eastern states. . . . Another one of the old timers, Herman Fink, is on his way to Wisconsin for a little vacation; however, not to fish. . . . With this I close: There is a tendency among some businesses to criticize and belittle their competitors. This is a bad procedure. Praise them. Learn from them. There are times when you can cooperate with them to their advantage and to yours! Speak well of them and they will speak well of you. You can't destroy good ideas. Take advantage of them .- Bob Placek, Assistant Branch Correspondent.

West Side

Events on the West Side: Clinic Day for the West Side Branch is becoming more of a reality every day. Reports from our president, Harold Epstein, and the various chairmen indicate that things of good omen are a-brewing. Harold assures us that the chairmen have been hard at work thru the summer and the chairmen can prove that he's absolutely correct. Mike DeRose, freshened from a trip to Canadian waters, reports a fine group of eighteen clinicians and twenty commercial exhibitors are already tabbed for their presence. A tasty morsel will include the presence of research men from Loyola University who will discuss the pro and con of the rubber base materials. Mike states that we're in for a really good and surprising affair. . . . It seems that the idea of a rest before the big push has affected the other chairmen as well. The last heard of Bob Tuck was that he was off vacationing with his uncle Frank somewhere in Canada. . . . Harold and Mrs. Epstein sans children, are about to vacate to our Western clime via Las Vegas (ouch), Frisco, Los Angeles, and Hollywood. Seems to me he should visit Las Vegas on the way home. . . . Mike De Rose was up to Ontario and visited the North Channel, Harbor Islands, Charlevoix and stopped off at Mackinac Island. He and Mrs. DeRose were in a group of six which included the company of B. T. and Mrs. Apke. . . . The West Side Branch was shocked and deeply saddened by the death of Ted Demos. . . . Max and Mrs. Andelman have returned to their home from the funeral of her beloved mother. . . . Ben Berlin has just returned from two weeks in Madison, Wisconsin. His new white sharp Dodge made the trip in grand style. . . . Al Levin likes Michigan. This time, he's off for another two weeks. . . . The Eli Lilly quota is full. By the time of this printing those making the trip will have received a letter of instructions. For any information contact Andrew J. Kelleher at 4001 Monroe St. The phone number-SA 2-0118.-Andrew J.
